

Spikenard Farm Top Bar Hive

Design by Luis G. Feliciano, under Gunther Hauk at the Pfeiffer Center

This is the first Top Bar Hive to include a Varroa Screen, and accommodate standard 10-frame supers.

Chris Harp from HoneybeeLives was instrumental in helping to develop the design.

A portion of the proceeds will be donated to Gunther's Honeybee Sanctuary at Spikenard Farm in Virginia.

Order through HoneybeeLives

HoneybeeLives.org / HoneybeeLives@Yahoo.com / 845-255-6113

First Production 2008: \$280 - Regular Hive; \$300 - Hive with Observation Window, plus shipping.

Produced by New England Farms in Granville, NY
